FAMILIES IN CARAVANS  
EVICTED FROM HOVEFIELDS

1 We are represented by Keith Lomax, solicitor 01132422797

2 Cllr Candy Sheridan, on behalf of the DFHA, is submitting a Planning Application for a caravan site on the land owned by The Homes and Communities Agency. Her number is 07919997464

3 The HCA, as we understand, has no immediate objection.

4 The situation is being monitored by Essex University Human Rights Law Clinic, directed by Leticia Osorio 07576151485

5 Police have a duty of care under the Human Rights Act to make a thorough assessment of the wellbeing of every person and should not proceed with action under s61 in the present circumstances where children and mothers, and other adults, have been traumatized by the recent eviction at Hovefields and the destruction of their homes there.

Should such action, against this advice, nevertheless be taken we may seek injunctive relief and a judicial review of that decision.
